Week 1 – Term 2

So what were you doing on 22 Feb? A question many Canterbury people are asked. I was heading down the Motueka Valley Road on my way back to Nelson for the night, no cell coverage until closer to Wakefield. Thank goodness all my family were safe and well, very shaken but ok. Next job for me, get to motel, pack bags and “low” fly home

Welcome to Term 2 2011. May I start with saying to all of those who were in the “zone” thank goodness Term one is over, it felt like a whole year!

JSF did not do our West and South runs in Term 1 I felt it best to stay close to home. But we are back on the road as things get back to the “new” normal.

Other than just working out where to next! What have we been up to? Holly and Nicolo (our Italian student) went to Wellington for the first weekend of the holidays for a look around, Easter time and Holly went to Easter Camp a Christian camp held at Spencer Park, 4500 youth, 4 days and apart from Monday fantastic weather and a fantastic time. Jackie and I hopped on the bike and headed to Methven for the Methven Mountain Thunder Motorbike Street Race, it was a great day and a great ride!

Easter bunny came to our place, Nicolo does not do Easter at home so he had to get with the programme!!

Sophie does Easter Bunny!!

Week 2 and Nicolo was off to Huntley for an exchange student camp for the week. I hopped on a plane on the Friday and headed for Auckland, for the weekend of showing Nicolo the sights and sounds of the big city, Winter Gardens, War Memorial and Museum, Sky Tower and City, Maritime Museum, Viaduct (of course), Devonport, the fish market etc and I even did some work!

We have some fantastic new things on the way this term as well as getting some oldies back on track.

Play time over and back to work.
