Third Term Newsletter from Just School Furniture Limited

Third Term already, the year is flying by again! We are past the shortest day and by the end of this term the first signs of spring will be poking their heads above ground. As I write this a 3° frost still lies on the ground so the thought of warmer weather keeps me going!

Bishopdale Community Preschool and Kidsfirst Wales Street Kindergarten were 2 centres we recently refurbished with Autex wall coverings, replacing old pinboards with vibrant pin, staple and Velcro friendly Autex Composition. "Everybody is so happy with the final result." said Jill at Bishopdale. For an obligation free quote call or drop us a line today.

Now something a little different, have you got an old table or perhaps a bench even in need of a revamp? This may just be the answer. Oil cloth is a PVC coated fabric which is durable, wipe clean and easily fixed to table tops or even chairs or stools, to see the available range and where to purchase
