Week 1 – Term 3

Well the shortest day has been and gone. Not sure about you but I am now ready for summer. Term 2 holidays also been and gone. Time seems to move so fast!! I hope you all had a chance, be it small or large to take some time out, get the feet up and chill? Bright side, as the lovely lady on the New World check out told me on the weekend only 23 weeks till Christmas, I think she was trying to make me happy!!

With the holidays came a number of changing things in the Atkins house, Holly passed her learners licence, (for her driving hours in Kaiapoi give me a call!!) She was stoked when the pass sign came up on the monitor screen (what happened to the good old days?) the smile was worth a thousand words. So we did dinner and a movie, "Get Him to the Greek!!" Hmm! Then on the Friday we, as a family went to "Marmaduke" now here is a winner! There are some real neat ones coming next holidays Cats & Dogs, Revenge of Kitty Galore to mention one.

Week 2 Holly went to Nelson to look after 4 boys aged between 5-13 for the week, she has always from as long as I can recall, wanted to go into Early Childhood Teaching this experience didn't seem to change her mind any. So with Hol's out of the house in comes a young 17 year old lad from Mantova Italy, Nicolo on exchange here for 1 year, first time for us and for him so now we have 3 males in the house 1 being the cat! Nicolo is going to be with us for roughly 4 weeks while a long term placement can be found for him, watch this space!

For a change I was on movie duty with Sophie, so what should we go and see, let me think about that, UM why not "Shrek 3D", why is it always me??? On a scale of 1 to 3 well I didn't think it was that great, 3D was but the movie it's self, I would give it a 2.

Enough of the holidays, back to work I hear Jackie say!

This term's promotion is on Autex Wall Coverings we will also have a sports special, a promo on lockers for our Secondary School clients and a new format specials flier so keep an eye out for that as I make my way around.

Our **HOT** weekly email specials kicked off in Term 2 and are going very well and the strike rate is looking good so onwards and upwards with that.

Bringing you the first's for 20-10

Term 3 will see JSF LTD launch a new range called simply the JSF3500 range almost a full range of classroom furniture but at least 25% cheaper!! How can we do this? By changing to a different substrate still the same great quality still the same great service. When doing the rounds a big comment I hear is the cost of things are going higher and higher, not just furniture but everything, well we can't do much about all the other things but we can do something about furniture!! So for the last term plus we have been working very closely on this new range and now it is time to launch, check out the web site, log in and check out the prices if you can't wait **RING US**.

With this new range and our Weekly "hot" Specials we are listening to you!

We have more offers and changes afoot so keep tuned as.
