SecondTerm Newsletter from Just School Furniture Limited

Doesn't seem that long ago, we were all enjoying long summer evenings, I don't know about you but I feel our summer was quite short. In saying that what we did have was great, without too many of those Easterlies Christchurch is famous for.

I guess there is something to be said for quality over quantity!

I did manage to visit Rotorua over the summer, what a wonderful place, friendly people, lot's to do beautiful weather. For those of you lucky enough to live there I recommend Lime Café down by the lake, and for the rest of you, make some time to visit this great place. We often don't realize how lucky we are to live in New Zealand until we take the time to visit places such as this.
