

Sandpit Snippets

Term 2 2011

Well I had this all ready to send to you last term. Then as they say someone moved the goal posts, in fact some one moved the land the goal posts stood on!! We are pleased to say that all our family and friends are safe, our thoughts are with those who are not so fortunate and centre's still trying to rebuild after last months devastating events. Times like this make you re- evaluate where you are and we have made a few changes here at Just School Furniture.

- We have moved back home and rented out our offices (a converted house) to a family who have lost their home.
- As you can see we have decided to email our newsletters in the interests of conserving resources.
- We are talking to another ECE supplier to bring you more resources

As I said in last terms newsletter we have been busy adding more things to our web site www.justschoolfurniture.co.nz Early Childhood/Accessories everything from Juggling scarves to gymnastic mats!! Have a look let me know if there is something else you would like us to include.

A quote I received the other day I thought quite apt to share

"It is night after a long day. What has been done has been done: what has not been done has not been done; Let it be"

In fact I have printed this and framed it for my kitchen wall, just to remind myself and others!! That we are not superwomen or men and we need to slow down!

We have been fortunate enough to have a young Italian Exchange student staying with us for the past few months I wanted to share with you an easy recipe he has made for us.
